We introduced the prototype to the colleagues selling this kind of product, they appreciated the idea, and they came to the conclusion that it would be perfect to have it in companies or in store, and use VR9 as a communicative message to acquire new costumers. Our product VR9 is at the top of technology, thanks to the virtual reality and 360° scenario you can have an emotional involvement.

During 2021 VR9 will be produce in a limited edition just few stores can have it, in price TURNKEY will be included : our product VR9, the making of the videos 5.7K (n.5) in 360° format, supply of the hardware support necessary for viewing videos (VR9 headset). Operator included in the package.

Videos will be then loaded in our VR9 product, prepared with dedicated software for VIRTUAL REALITY. Service provide realization and delivery in 48hr ready to be used.

USE IS WITHIN EVERYONE'S REACH.
